

In partnership with:

CENTRAL LONDON MARKETPLACE

*Monday 2 June 2014 at Kensington Town Hall
The Great Hall, Hornton Street, London W8 7NX, 10am - 3pm*

Above: Kensington Town Hall, London, and a recent Marketplace in full flow.

Please join us at our Central London MarketPlace in Kensington Town Hall! Our Summer event will once again demonstrate the cost-saving benefits and applications of telecare and telehealth products and services. Please make a date in your diary!

Kensington Town Hall provides an ideal location for a London & Home Counties MarketPlace. Public transport makes it easy to access and High Street Kensington is the closest tube station. There is public car park immediately below the Town Hall. The Great Hall is over 400 square metres and will easily accommodate 30 plus exhibitors, so there's plenty of room for all of our UK and international suppliers to display their latest range of cutting-edge equipment and services.

As usual there are likely to be many new products just launched into the UK market place. There will be a full programme of talks in our break-out sessions which will take place in the foyer.

Arrive any time after 10am and stay for as long as you like up to 3pm, allowing yourself plenty of time to meet as many suppliers as possible. Refreshments will be available, and there are many cafés and eateries nearby.

For Service Providers this is a great opportunity to discuss informally how our Supplier Members could help solve some of your customers' problems and requirements. You will also be able to meet and enjoy networking with many of your co-professionals. There will be deals on offer and opportunities for you to add extra value to your service, making your visit even more worthwhile.

Entry is completely FREE for both visitors and exhibitors. It's one of the unique benefits of UK Telehealthcare membership!

Who should attend? All Health & Social Care professionals, Telecare & Telehealth providers, Clinical Commissioning Groups, Occupational Therapists, supporting carers and care agencies, the voluntary sector, those involved in dementia care and Registered Social Landlords/Housing Associations.

NB: There is no need to book but please let us know if you are going to attend. More details will follow.
